Liqhobong Diamond Mine Presentation and Update

Firestone Diamonds plc, the AIM-quoted diamond development company, announces that an investor presentation, which provides an update on the Liqhobong Diamond Mine ("Liqhobong" or "Project") to the end of January 2016, is now available on its website: www.firestonediamonds.com/investors/reports-circulars-presentations.

During January, the Company continued to make excellent progress at Liqhobong and as at the end of January 2016 the Project was 65% complete, which is in line with the revised schedule announced on 23 June 2015.

Each month the Company updates its media gallery to include images to illustrate the Project's progress and these can be found on Firestone's website: www.firestonediamonds.com/media.

Background information on Firestone

Firestone is an international diamond development company with operations focused on Lesotho. Firestone is currently in the process of developing the Liqhobong Mine Development Project in Lesotho to become a one million carat per annum producer.

Lesotho is emerging as one of Africa's significant new diamond producers, and hosts Gem Diamonds' Letseng Mine, Firestone's Liqhobong Mine, as well as Namakwa Diamonds' Kao Mine.
